

Turfgrass Solutions Announces New Technical Advisor

For Immediate Release

January 7, 2026

Flesherton, ON – Turfgrass Solutions Inc is pleased to announce that Mr. Peter Lucas will be joining Turfgrass Solution’s team as a Technical Advisor, effective immediately.

Peter is a graduate of St. Pete College in Florida and also completed courses at Florida State University. He completed the University of Guelph Turfgrass Management Short Course in 1987 and has enjoyed 40 years of extensive continuing education in the field. He has previously served on the Board of Directors of the OGSA, AGSA and the EOGSA.

Recently retired from Watsons Glen GC, he has spent over 40 years in the industry. His career in turf started at Islington GC, he held Assistant Superintendent roles at Weston and Cedar Brae G&CC, as well as Superintendent roles at Bay of Quinte CC and Royal Oak GC in Moncton, NB.

Peter’s primary focus will be to assist Superintendent’s in Eastern Ontario. As a founding member of the EOGSA Peter has a keen interest in Eastern Ontario golf operations and those superintendents will benefit from his passion for turf, as he assists them in developing cost effective options to meet their Turf Management goals into the future.

Reach out to Peter at peter.b.lucas@me.com to see how he may be of assistance with your programs.
